

EVENTS FOR PUPILS

-HRS hosted a wonderful Public Speaking Competition for DEEP schools. A huge congratulation to Dunmow Primary on being awarded first place. Well done to all children involved.

-Felsted hosted our annual Phizz Factor. Thank you to all involved. The children had a wonderful time!

-Don't forget children with SEND can attend the Little Monsters sessions held on a Thursday afternoon. The next session is: Thursday 15th May.

EVENTS FOR STAFF

A number of successful events have taken place this term to support staff CPD.

Stebbing Primary have hosted some writing moderation sessions for all year groups. The latest session enabled teachers to plan a unit which would be delivered over the summer term to then produce a piece of unaided writing which can then be moderated across DEEP. If you would like further details please get in contact with Tom Le Masurier at Stebbing Primary: mr.lemasurier@stebbingprimary.co.uk

Fritch Green hosted another subject leader meet up. Minutes from the meetings can be accessed by speaking to your Headteacher.

Deputy Heads and Assistant Heads have met as well as our SENCOs and there have been opportunities for staff to visit one another's schools which has proved useful. This further further develops our ways of working together.

DEEP INITIAL TEACHER TRAINING

Recruitment is underway and we hope to be able to have our own cohort of trainees begin their training in our DEEP schools in September 2025. If you know someone who is interested in training please speak with your Headteacher or contact Jasmine Crawford at HRS for further details: deepittlead@hrs.education
